"TRUSTED VISION AND EYE HEALTH CARE"

June 16, 2014

Dear Patients (Friends),

After 43 years of optometric practice, I have decided to retire. I want to thank you for your loyalty and allowing me to attend to your vision care. As time has moved along, you have become not only patients but also wonderful personal friends.

As of August I will not be in the office on a regular basis but my wife Jenny and I will continue to live in Sacramento and enjoy our children and grandchildren. Running, community volunteering, family events, and the endless "honey-do" list should keep me very busy.

My partner for the past 30 years, Dr. Kenneth Sakazaki, will continue full time along with Kristen Sakamoto. Dr. Sakamoto has been with us for 16 years. Our newest optometrist in the office is Dr. Katrina Gallardo-Chang. Dr. Gallardo is a recent graduate of U.C. Berkeley School of Optometry and has been in the office for the last year. This team will continue to provide the excellent vision and eye health care that you have come to expect.

Thank you again for being my patient and friend. As I drop by the office now and again, I hope to get updates on your busy lives. Please take care.

With warm personal regards,

Ernest K. Takahashi, O.D. (Ernie)

P.S. Thanks for the memories!
