

DR. TRACY BRODIE  
& ASSOCIATES

# SAME GREAT DOCTORS SAME GREAT CARE NEW NAME

DR. BREANNE FACEY, DR. TRACY BRODIE & DR. ANJALI PATHAK

**It is with great excitement we announce  
NEW OWNERSHIP and NAME CHANGE of our clinic!**

For over **30 years**, Dr. Tracy Brodie has owned her practice in Burlington, building a strong patient base in our community. Dr. Breanne Facey joined the practice as an associate in 2011 after graduation. She has grown her practice with Dr. Brodie, introducing Vision Therapy to the clinic in 2014. With her expertise in vision development, vision therapy and rehabilitation, she continues to welcome new families and patients to the office.

**On March 1, 2020,  
Dr. Facey acquired  
ownership of the clinic.**

Dr. Brodie will remain with the team, as she is not ready to retire! She continues to service her patients with the same great care she has always offered. Dr. Brodie is confident that Dr. Facey will lead the business with the same dedication to her patients and quality of care that you are used to. We also have Dr. Anjali Pathak on our team, who joined us in 2019. Dr. Pathak shares our philosophy of patient care. She is a personable, experienced Doctor, with a proficiency in ocular disease management.

**EFFECTIVE MAY 28, 2021 OUR  
PRACTICE NAME WILL BE  
CHANGING TO:**

**PERSPECTIVE VISION**  
EYECARE | EYEWEAR | VISION THERAPY

We can assure you, that you will receive the same great care, from the same great doctors, as we are just operating under a new name, allowing us to provide vision care through a new perspective.

Please visit our new website and webstore at [www.perspectivevision.ca](http://www.perspectivevision.ca). We offer online purchasing of contact lenses (with free direct-to-home shipping), dry eye products and supplements available for pickup or shipping to your home. When it is safe again, we look forward to celebrating our launch of **Perspective Vision** with a frame show and lens sale as we have done in the past.

We look forward to continuing to provide you with exemplary eyecare and we welcome your referrals for new patients. We value your feedback always. If you have had a great experience at our office or with one of our Doctors, a positive google review is the best compliment we can receive! If you do feel there is an opportunity for improvement within in our clinic, please email or call the office and Dr. Facey would be happy to speak with you.

[Click here](#) to leave a **Google review**.

**For any positive google review posted during the month of June,  
your name will be entered in a draw to win a free pair of sunglasses  
(prescription or non-prescription)! Draw will take place on June 30, 2021.**
