

Fortune Teller

Make your very own Eye Fact Fortune Teller—and find out what makes your friends and family say “Eye Didn’t Know That!”

Directions to make your Eye Fact Fortune Teller:

1. Remove the Eye Fact Fortune Teller page from the book by tearing the perforated edge or with scissors.
2. Fold each corner of the paper towards the center.
3. When all four corners have been folded, your Eye Fact Fortune Teller should look like this. [INSERT MINI-IMAGE]
4. Turn the paper over so that the folded sides are face down.
5. Then fold all the corners to the center diagonally.
6. Hold the paper in front of you as shown and fold it into a square. [INSERT MINI-IMAGE]
7. Now unfold and fold the square in half horizontally and slip your thumb and pointer finger under the four flaps.

How to Use It:

1. Have a friend choose a color on one of the flaps.
2. Moving the flaps in and out and side to side in time with the letters, spell out the word chosen.
3. Open the Eye Fact Fortune Teller to reveal the numbers and ask your friend to pick one. Count out the number chosen by moving the flaps in and out and side to side. Ask your friend to pick another number and count it out in the same manner.
4. This time, ask your friend to pick a third number and reveal the Eye Fortune that is on the inside flap.
