

Before screen time...

let's spend more time outside!

Kids who spend more time outside are less likely to develop myopia (nearsightedness)¹. Here are some fun activities to encourage outdoor time! As you and your child complete each activity, check off the box or place your favorite sticker to mark your accomplishment!

Name: _____

Make art with **sidewalk chalk**

Plant a **garden**

Fly a **kite** on a windy day

Create a **treasure hunt**

Practice **outdoor yoga**

Camp out in the backyard

Have a **picnic** in the backyard or on the porch

Go for a **bike ride** around the neighborhood

Play **Frisbee golf** with targets around the yard

Science time! Make your own **slime**
