

# Top 10 reasons why you should buy your contact lenses right here

- 1 Our prices are competitive with most online companies. You get manufacturers' rebates and any instant and yearly discounts that are available
- 2 We help you get the maximum value from your insurance plan
- 3 If you ever have a defective or torn lens, we will replace it free of charge
- 4 You will be getting your lenses from your Optometrist's authorized distributor of the brand you wear—always fresh and pure, never expired
- 5 You are guaranteed to get the correct lenses in the correct prescription. If your lenses are not performing properly, we will correct the problem\*
- 6 At your yearly visit, you can exchange unopened boxes purchased at this office, as long as they are not expired and the package is in its original condition
- 7 If you have a flexible spending account (FSA), you can use those funds all year long for your eye care and contact lenses
- 8 Shipping is usually free (except for overnight deliveries)
- 9 You have the satisfaction of supporting a local business. We care about you and your eyes!
- 10 You are always covered by our Trusted Guarantee

\* The most common cause of contact lens-related eye problems is due to patients not returning to their Optometrist for regular checkups.
