Please Read:

In order to control the cost of billing, we ask that the patient's portion is paid at the time services are rendered unless other arrangements are made in advance. We would rather control billing costs than be forced to raise our fees. All professional services and material are charged to the patient. The undersigned will ultimately be responsible for any bill incurred in this office regardless of insurance. Accounts 90 days old are subject to collection fees. There will be a service charge on all returned checks.

Payment from my insurance is to be paid directly to . I understand that will be billed as my primary insurance. I understand that billing any secondary insurance is my responsibility. I understand that all benefits quoted to me are not a guarantee of payment by my insurance company and that final determination can only be made when the claim is processed. I acknowledge that I have received your Notice of Privacy Practices. **All professional fees are Non-Refundable.**

NAME: _____ **DATE:** _____

WE ARE COMMITTED TO EARLY DETECTION AND PREVENTION OF EYE DISEASES. WE STRONGLY RECOMMEND THAT ALL OF OUR PATIENTS RECEIVE BOTH TESTS AS PART OF THEIR COMPREHENSIVE VISUAL ANALYSIS. Please check the appropriate box below stating your preference.

Dilated Fundus Exam enables us to provide a more thorough ocular health analysis. With the dilated pupils, we get a better view inside the eyes that allows us to detect early signs and changes of ocular pathologies. A **Dilated Fundus Exam** is extremely essential for diabetics, hypertensive, high near-sightedness, and/or any history of other related ocular disease. We will perform dilation unless declined.

_____ I **DO** Want Dilated Fundus Exam

_____ I **DO NOT** Want Dilated Fundus Exam

_____ I **DO WANT OPTOS** (Retina Photos ~ additional \$40.00; Procedure is **NOT** covered by insurance.)

_____ I **DO NOT WANT OPTOS** (Retina Photos ~ additional \$40.00; Procedure **NOT** covered by insurance.)

A **Visual Field Analyzer** is a highly computerized instrument that provides us a more thorough analysis of your fields of vision. **Visual Field Screening** can assist us in early detection of glaucoma, retinal problems, some neurological diseases and may diagnose causes of headaches. **There is additional fee for this test.**

_____ I **DO NOT** Want Visual Field Screening

_____ I **DO** Want Visual Field Screening

I understand that without this test certain eye disease and conditions may not be discovered. I agree to assume all risk associated with refusing this test, indemnify, hold harmless, and release Dr. Le, its employees and optometrists individually from any and all claims or liability whatsoever related to failure to diagnose and or treat any eye condition due to lack of diagnostic information which could have been obtained by this test.
