Highlands Ranch, CO 80129

## Parental Consent for Medical Treatment of Minor

When parents cannot be present at the time of their child's appointment, it is the policy of Eye to Eye Care that no child under the age of eighteen will be treated without a designated adult chaperone present or a signed consent form allowing child to be seen on their own.

Children under the age of eighteen who will be coming to the office alone must either have a signed form or verbal consent on file prior to being treated.

### Please check one option:

My child under the age of eighteen will be coming to the office with a designated Adult Chaperone.

My child under the age of eighteen will be coming to the office by themselves.

\_\_\_\_\_ on this day only \_\_\_\_\_ do hereby grant permission for
