Dear Residents/Family,

Richie Eye Clinic has provided on-site Nursing Home and Assisted Living vision services to the Faribault area since 2003. Our goal is to optimize the visual potential and manage the eye health of each resident.

Our on-site vision services include:

- \* Vision examinations
- \* Red eye evaluation and treatment
- \* Glaucoma testing and treatment
- \* Eyewear repairs, adjustment and prescriptions filled
- \* Diabetic exams and referrals
- \* Ophthalmological and specialty referrals

Who needs vision care? Residents with:

- \* Blindness (or some portion of slight loss)
- \* Dementia
- \* Diabetes
- \* Cataracts
- \* Glaucoma
- \* Macular Degeneration
- \* Multiple sclerosis or strokes (determining field of vision defects)

Richie Eye Clinic understands the challenge of vision care. We are committed to doing all we can for residents in nursing homes, assisted living and various community settings by delivering quality eye care services on-site. If you would like to take advantage of this service, please fill out the consent form provided and give it to your nurse or admissions director.

Richie Eye Clinic is a provider for most health plans including Medicare. If you have any questions, please call me at 507-332-9900.

Sincerely,

Dr. Murray H. Hanson  
Optometrist
