

10 REASONS TO GET YOUR CONTACT LENSES FROM OUR OFFICE?

If you have ever thought about ordering your contact lenses through the mail or purchasing them at a discount location, here are a few things to consider:

- 1. Our already low prices:**
 - Our lens prices are competitive and are often less than internet suppliers.
 - Although we may not be able to match some of the large, outside suppliers, we hope to provide you with a better value with our personalized service and care
- 2. Additional discount for purchasing a year supply:**
 - Our office is often able to give a 10% discount on a yearly supply
- 3. Manufacturer's Rebates:**
 - Our office may be able to help you get a rebate from the contact lens company if you purchase a year supply of lenses. These rebates are only available through our office.
- 4. Free Shipping:**
 - Our office is able to ship your lenses to your home or place of work for free if you purchase a year supply
- 5. No charge for extra lenses if needed in a pinch**
- 6. No hassle defective lens replacements**
- 7. Easy exchanges if your prescription changes**
- 8. Travel-size solutions and cases available**
- 9. Lenses that are often in stock**
- 10. We are your eye care experts – always available if you have questions or problems.**
 - You also get the satisfaction of supporting a local business.

If you do choose to order your lenses elsewhere, we encourage you to return to our office for regular eye care. Many contact lens problems can only be detected by an eye doctor. Our goal is to help detect and prevent possible problems for you.
