

CONTACT LENS FITTING FEE

A contact lens fitting fee is a separate service from a routine eye exam and therefore a separate charge is required to keep a current contact lens prescription. This is generally not covered by insurance This fee includes:

- * *Corneal and Lid assessments*
- * *Necessary trial contact lenses*
- * *6 months of follow-up contact lens care*
- * *Insertion and removal class (if necessary)*
- * *Necessary contact lens cleaning kits*

Contact Lens Fitting Fees

	<u>New Fit</u>	<u>Returning Fit</u>
Spherical Soft Lenses	\$65	\$45
Toric Soft Lenses	\$75	\$60
Multifocal Soft Lenses	\$90	\$70
RGP (Rigid Gas Permeable)	\$90	\$75
Specialty Fitting	\$200	\$200
Keratoconus Lenses	\$200	\$120

The Fit type is determined by the doctor after the fitting is done but is generally based upon the prescription of the lens wearer. Specialty and Keratoconus Fits will be notified of their fit type before proceeding.

Please note: This fee is non-refundable and due at time of service.

Our goal at Bass Lake Family Eye Care is to keep your eyes happy and healthy for years to come.
