

The Center for Vision Development Vision STAR of the Month!

Emma

Emma is in 3rd grade. Her favorite thing about school is art class, music class, lunch and recess. Her favorite thing about VT is hanging out with the teachers and earning stickers. Emma wants to be a writer or actor, but it might be hard to do both full-time. Emma does horseback riding lessons, enjoys her pets (3 cats, 1 bearded dragon and 1 snake), and enjoys playing Roblox!
