Insurance Declaration

Please sign below: (1) to acknowledge that this form is current, and (2) that I represent that if I have insurance coverage and hereby authorize my carrier to pay and assign directly all benefits otherwise payable to me for the products and services described to The Vision Centers. I hereby authorize them to release and obtain all information necessary to secure payment of said benefits. It is not the responsibility of The Vision Centers to verify coverage, and I understand that coverage is not a guarantee of full payment. **If my insurance(s) fail to pay in full, I agree to pay all unpaid balances**. If litigation is instituted to collect any unpaid balance(s), I also agree to pay all costs incurred by The Vision Centers. I have read, understand, and agree to all terms and conditions stated above.

Contact Lens Examination Charge

In order to obtain a valid prescription for contact lenses, a contact lens examination/evaluation must be performed by the optometrist. It is performed every year in order to ensure you have the appropriate lens power and fit, and to be sure your eyes are healthy enough to wear (or continue to wear) contacts. The charge is either $50 ("sphere", or basic contacts) or $75 (for astigmatism contacts, monovision and multifocal lenses, or RGPs). Medically-necessary contact lens evaluations are more complex and those charges will be discussed when needed. These fees are payable at the time of service and may not be covered by insurance. The fees still apply even if you are unable to successfully wear the lenses.

If there are any problems with the powers and/or fit of the contacts, you have up to 90 days from the date of the original exam in order to be re-evaluated or re-fit at no charge (this does not include visits for eye infections or similar reasons). If there is a change in the prescription and/or brand, any boxes purchased from The Vision Centers that are un-opened, un-marked, and un-damanged may be exchanged at no charge.

Missed Appointment and Cancellation Policy

If you are unable to keep a scheduled appointment, please give 24 hours advance notice to ensure that you will not be charged the $25 cancellation fee. Thank you for your cooperation and understanding.
