

## Dry Eye Spa Membership

Having to come time and time again for multiple treatments can be expensive. In an effort to solve this problem and make treatment more affordable Westlake Hills Vision Center has started our Dry Eye Spa Membership. It makes the cost of dry eye treatment less than half of what it would be. Our usual costs are:

IPL \$400 x 4

RF \$450 x 4

Rinsada \$200 x 4

Zest \$250 x 2

Usually, the minimum needed is 4 IPL, 4 RF, 4 Rinsada, and 2 Zest in 1 year's time. A rule of thumb is generally 1 treatment of IPL/RF per decade of life. If you are 40 this works out to **\$4900** for all treatments. If you are in your 60s it works out to an additional \$1800 for a grand total of **\$6700**.

Our Dry Eye Spa Membership can potentially reduce the price by more than half. So, how does it work? You can get as treatments as the doctor recommends in a 1 year period with an unlimited amount if needed. Again, usually the minimum is listed above.

Pricing:

**\$3000/yr**-broken into 12 installments of \$250

**\$2500/yr** if paid up front

The fine details:

The treatments will be performed by our highly trained technicians on Wednesday or Friday. If you would like to be seen by the doctor for treatment, the doctor can perform the IPL for an additional \$200 per session but technicians will still do the other treatments. Or if you want to schedule on a day other than Wednesday or Friday, there is an additional \$200 upcharge.

We will allot 1 hour of time for your treatments. Please note if you arrive late, some of your treatment may not be able to be finished in the allotted time and may have to be rescheduled to a different day. It is possible we may be unable to perform the missed treatment for an additional 4-6 weeks. If you arrive late more than twice you will not be eligible for the membership in the future. We have a limited number of spots we can offer. Only 50 due to the amount of time the treatment takes. If you cancel with less than 24 hours notice or no show the session will not be rescheduled until the next 4-6 week interval due to limited appointment slots.

Every 12 months the fee will restart. We will keep a credit card on file for future payments.

Membership will renew unless notified 30 days in advance. If you choose the installment plan it cannot be canceled before the end of 12 months. It is your responsibility to schedule the recommended sessions in the 1 year time period. If the recommended treatments are not done within the 1 year time period from purchase, those treatments cannot be done after 1 year without an additional membership fee or can be paid at full price.

If you have paid outside the membership for treatments that have not been utilized the amount paid towards the unused treatments can go towards the membership program.
