

ELLICOTT CITY TOTAL EYE CARE

Dear Valued Patient,

It is with a mix of sadness and gratitude that we write to inform you that Ellicott City Total Eye Care will be permanently closing its doors. This decision was not made lightly, and we want to express our sincere appreciation for your trust and loyalty over the years.

December 27, 2024 will be our last day to see patients for scheduled appointments. If you have an appointment after this date, our team will be reaching out to provide an opportunity to be seen sooner.

Our office will remain open for emergencies, as well as eyewear pickups and other administrative services until **January 15, 2025**. If you require prescription refills or have ongoing treatment plans, please reach out to us promptly and we will assist you in transitioning your care.

The providers at Professional Vision welcome Ellicott City Total Eye Care patients, and your medical records will be securely maintained there for a period of time required by law. To make an appointment or to obtain a copy of your records, please contact either of the locations listed below.
