

## **Contact Lens Refill Requests**

Dear Patients,

Optometry offices have been directed by the CDC to close for routine care.

As such, access to patient records is limited.

If you require a contact lens refill, we will do our best to expedite the order.

Please follow these steps:

Go to our website: [www.drstoler.com](http://www.drstoler.com)

Scroll down to Contact Lens Store

Click "Click Here to Order Contact Lenses"

click new to register/ sign up

You can then enter Prescription/ brand/ quantity etc.

2 box orders will ship free

If unable to complete order above, please send an email to: [kssod@sbcglobal.net](mailto:kssod@sbcglobal.net)

Include name

A contact phone number

A photo or description of the brand and power for each eye

Quantity requested

Our office will make every attempt to verify your last order with our distributors, and given the circumstances, contact lenses prescriptions will be extend to 2 years.

We will contact you directly for payment and will ship all 2 box orders free of charge directly to your home

Due to the circumstances and limited access to records, diagnostic lenses are not available.
