

# Glasses:

Reasons to place  
your trust in us.

## SERVICE

INCLUDING LIFETIME ADJUSTMENTS

Our team of professionals will accurately measure and maintain any glasses purchased from us for the life of the glasses; including adjustments and fittings. We will also replace screws, temple tips and nose pads at no charge.

Precision is critical for the best vision and ocular comfort. All glasses are not created equal.\* We ensure your glasses meet your specific prescription, encompassing all the Canadian safety and accuracy standards.

## WE STAND BEHIND OUR PRESCRIPTION

within 60 days of your eye exam. We'll make any prescription lens change needed at no additional charge to you; for upgrades, just pay the difference.\*\* We want you to love your glasses!

## ACCURACY

Our doctors are available to review your prescription needs and recheck your vision if you have adaptation difficulties (at no charge)

## FASHIONABLE FRAMES

Our Eyewear Fashion Consultants will help you find the perfect style, size and colour.

All prescription lenses with scratch resistant coatings or anti-reflective coatings are warranted against manufacturer's defect for two years.\* \*

## LENS WARRANTIES

## FRAME WARRANTIES

Prescription frames have a two year manufacturer's defect warranty.\*\*

There is an awesome second pair discount when an additional pair of glasses are ordered within two weeks of the original order. The second pair is an excellent opportunity to enjoy the benefit of a fashionable spare pair, sunglasses or task specific glasses.\*\*

## AWESOME 2ND PAIR DISCOUNT

We also provide a Family Discount that allows a price break for anyone in the same household that orders glasses within 30 days of the original purchase.

## FAMILY DISCOUNTS

## CONTACT LENS DISCOUNTS

Order your new glasses and a yearly supply\*\*\* of contact lenses on the same day and you will receive an additional 10% off your contact lens order in addition to fantastic manufacturer's rebates.

\* Two independent studies that were published in September 2011 and June 2012 found that between 44.8% and 94% of prescription eyeglasses purchased over the internet had incorrect prescriptions, and/or did not meet ISO or ANSI safety or optical standards that are required in North America.
