

**Visual Condition and Problem Areas:**(I.C.D. code beside condition)

1. Amblyopia

- Strabismic amblyopia—368.01
- Refractive amblyopia—368.03

2. Strabismus

- Esotropia—378.0
- Exotropia—378.1
- Intermittent esotropia, monocular—378.21
- Intermittent esotropia, alternating—378.22
- Intermittent exotropia, monocular—378.23
- Intermittent exotropia, alternating—378.24
- Accommodative component in esotropia—378.35
- Vertical Strabismus—378.35

3. Non-strabismic disorder of binocular eye movements

- Convergence insufficiency—378.83
- Convergence excess—378.84
- Anomalies of divergence—378.85

4. Eye movement disorders

- Ocular motor dysfunction—378.9
- Deficiencies of saccadic eye movements—379.57
- Deficiencies of smooth pursuit movements—379.58

5. Heterophoria

- Esophoria—378.41
- Exophoria—378.42
- General binocular vision disorder—368.30

7. Accommodative Disorder

- Accommodative Insufficiency—367.5
- Accommodative Spasm—367.53

8. Nystagmus—379.51
