

2014 Designer Frame Exclusive Event

Professional VisionCare Designer Frame Show

Saturday, April 26th
10am - 4pm

30% off frames and lenses
50% off your second complete pair

The first 100 patients will have the chance to win a FREE designer frame with a prescription lens purchase.

185 South State Street
Westerville, OH 43081

Some exclusions apply. See below for details.

2014 Sale Guidelines

1. Every eligible guest age 13 and older may select one travel size eyewear cleaning kit as a gift for attending the frame show. A few lucky winners will find a free frame indicated on the kit they draw! The free frame must be selected that day, and the winners must purchase prescription lenses in order to receive free frame.
2. The frame savings offered during the sale cannot be combined with insurance or eyewear packages
3. When purchasing two pairs of eyewear, the second pair must be of equal or lesser value to qualify for the 50% savings. The second pair must be a complete pair with frame and prescription lenses. Both pairs must be for the same patient.
4. Non-prescription sunwear qualifies for 30% savings, regardless of how many are purchased. Non-prescription Maui Jim and Oakley sunwear do not qualify for the savings.
5. All frames purchased from the display tables will be ordered from the manufacturers, including non-prescription sunwear. If you are interested in taking home a purchase today, ask about options from our collection.

6. If you are pre-purchasing frames before an exam at a later date, payment for the frame must occur the day of the sale to qualify for the frame savings. We will hold the frame until your scheduled appointment. If for any reason your chosen frame does not meet the requirements of your new prescription, our opticians will work with you to select a new frame at the same savings offered.
7. All orders must be paid on the day of the show with methods that follow the Professional VisionCare payment policy to qualify for the sale savings. Enjoy!
